To save Pete and PJ from the pirates, you've gotta be Goofy.

Pete and PJ thought it was a beautiful day for fishing on Spoonerville Island. That is, until Keelhaul Pete and his band of pirates caught them. Now Goofy and Max are off to the rescue through 5 puzzling, pirate-filled levels of castles, forests and caves. With your help, they'll make it to the pirate ship where Keelhaul Pete awaits and make him walk the plank.

When Goofy and Max meet the first boss, it's a real bull.

A potted palm can really keep the pirates in their place.

The orange pads are key to Goofy and Max making it through the knight.

EDITOR'S NOTEBOOK

Dear Archie Readers,

Recently, I was invited to a Comic Book Convention in Kansas City, Missouri. The Kansas City Comic Book Club organizes two of these conventions each year. This was the third one I've attended and it gets better each time. The ARCHIE fans I met were great. There were over 4000 people that attended and it seems as if every one of them stopped by to say hello. One thing that always fascinates me is talking to parents and grandparents, who remember reading Archie Comics when they were growing up. Some still do.

Anyway, I want to thank the Kansas City Comic Book Club and all the people who attended that convention, for helping to make my visit a most memorable one.

As promised last month, here are some upcoming Comic Book Conventions that I am planning to attend, along with some of your favorite Archie artists and writers.

NEW YORK COMICON

June 12-13
 Jacob Javits Convention Center
 New York City

SAN DIEGO COMIC-CON

August 19-22
 San Diego Convention Center
 Downtown San Diego, CA

COMICFEST '93

October 8-11
 Philadelphia Civic Center
 Philadelphia, PA

If you live or are visiting in any of these cities during these convention dates, stop by and say "Hello". We're always anxious to meet Archie fans and welcome new ones.

Dear Jughead (Needlenose),
I understand you've been through panic, confusion and worry. Take it easy! Your sister/brother will always love you even if you make mistakes. I'm a young family member. I have a pesty brother but he's been good to me. If you need some advice, ask your close friends (The Archie gang). They'll always love to help you. Also talk with your parents about your feelings. Think POSITIVE! --Love, Dawniella Haischack, Columbus, OH

Dear Jug,
I'm a big brother too, Jug. I have a baby sister and a baby brother. When I found out I was going to have a baby brother I was a little nervous, but I couldn't wait. My family looked up millions of names to call my brother. When the baby was born, and I saw him, he was so, so, so little. I held him when he was 2 months old. I said his name and he laughed. His name is Brian. He is 5 months old now. He likes to play peek-a-boo. So Jug, it's fun to be a big brother, and I can't wait for my brother to walk! -- Omar Zapata, Baton Rouge, LA

Dear Jughead,
I've had the experience of taking care of babies. I recommend you to do this:
1) When the baby cries: give him a bottle (to drink) or change its diaper.
2) Don't pay attention to Reggie. He's your worst enemy. (He is a shut-up head.)
3) When the baby grows up teach him/her to play softball or football or baseball.
4) When the baby grows up, teach him/her to tackle Reggie.
5) The best way to let the baby fall asleep is to sing to him/her. Remember! Reggie is a shut-up head. Don't let him go near your baby. -- Yasmin Blackwood, Republic of Panama

Dear Jughead,
I know you are going through a very hard stage. My friend used to be an only child and now she has 2 baby sisters. She thought she was going to be neglected but she wasn't because she takes care of her sisters and IS HERSELF! So don't be scared, Okay? Be yourself and you will be the best brother ever.
P.S. I have over 100 Archie Comic books and almost 70 of them have fallen in the bath!! So can I suggest maybe some water-proof Archie Comics? I could really use them. THANKS!
-- Jessica Barre, Ontario, CANADA

Dear Jughead,
I wrote a poem about you and your baby bro/sis:

A bottle overturned in the nursery
cereal is missing from the pantry
the breadbox is empty
the cake is gone
someone has eaten the Grey Poupon!

The fruit pie is missing
and I'm afraid
there is no more bread
for marmalade!

Baby Jones is nowhere
to be found
Neither is the ground round
Jughead thinks his baby
sibling's neat
but unfortunately he taught
the kid how to eat!
-- S.Jeanne, New York, NY

Dear Jughead,
Hello. I love your comics and your appetite! I just finished reading "BABY TALES #46." I know you're going through a lot of stress right now and I feel for you. Your friends are very supportive so be happy. When the baby comes you'll find it's not as scary as you thought. You'll love the baby so much you'll find that you might like to change its diapers or

feed it. Just keep calm and if you feel down or nervous, just remember you have friends. (You might even like the baby as much as Hot Dog!) Do me a favor and tell Archie to stick with Betty.
-- Brenda Higgins, Grand Prairie, TX

Dear Jughead,
I think you shouldn't be upset about the coming birth of your baby brother or sister. (I think it's going to be a boy). Before he comes... you will have someone to talk to and remember that you're bigger and tougher. Be nice! I like your comics because you make me laugh... Thanks! And unlike my history book, I LIKE reading your comics! I have brothers and sisters. It is good to have them around to take you places, and to play games, and for exchanging gifts, and especially using them once in a while as scapegoats to keep ME out of trouble. Having older brothers and sisters comes in handy for decorating the highest parts of the Christmas Tree... Hang in there. Starhanger.
-- Michael Rogalski, Taylor, MI

Dear Jughead,
I'm not a brother but I'm a sister. I have a little sister. It's okay to be scared and all but you can be excited too. I was only 13 when my mom and dad told me about it. After that there was a lot of joy in my life. The baby's names are Vicky and Victoria. My mom thought she was going to have one but instead she had two!!!
-- Kathryn Cass, Princeton, IL

Dear Jughead,
I like pizza. -- Gabrielle Narkus, Croton, NY

Dear Gabrielle,
Thank you for sharing that.
-- Jughead

RECYCLING

Recycling is better than burning garbage because burning causes air pollution. About 75% of garbage produced can be reused or recycled. Sorting for recycling can be put into six categories: Metal, glass, paper, old clothes, plant waste and plastics. Metals can be recycled into new cars, stoves or refrigerators. Glass can be recycled into new paper or cardboard. Old clothes can be given to charity. Plant waste can be recycled into compost (fertilizer). Plastics can be recycled into plastic bottles again. Recycling helps keep the world a beautiful place.
